Dear Crandma & Crandpa,

Hi. I got your letters & I

got the algebra question

I did it but I didn't use
algebra because it was to hard.
I gave the question so that you
can show me how when I
get back. Yesterday we had

6 girls here, Heidi & Shelly
spent the night the night before
last night & we took care
of Amy & April because their
mom was going into town.

On Monday we saw Out of Africa
it was good. On Friday
we went to Spokane, it was fun.

Monday we rode Heidi's
Horse, Tina. Julie & I both
trotted her, while her mom
was holding on.

Well I better go

bye

Miss
you

Love

Diane
